Cable Address—"Burpee" Philadelphia

Dear Friends:

Last year you probably enjoyed one of the best seed selling seasons in your history. We feel that this coming season will be better even than last.

Gardening has ceased to be a hobby only; it is now a necessity. High living costs and scarcity of essential foods have encouraged the starting of new gardens. New introductions and improvements in old varieties of vegetables have increased yields and renewed interest in established gardens.

We must not forget the increasing interest in flowers. We are constantly endeavoring to stimulate this by the introduction of new varieties of flowers. Our national advertising has also been a great factor in this new interest, and you will find it very helpful in increasing your seed sales.

In spite of rising costs we have not raised prices except where absolutely necessary.

We are trying always to improve our service to you and we appreciate the opportunity of furnishing you with the Best Seeds That Grow.

Please send your orders to Philadelphia, Pa., or Clinton, Iowa, whichever is nearer to you.

Faithfully yours,

President

is for the exclusive use of Seedsmen and Dealers who sell seeds and are therefore entitled to these Special Wholesale Prices. As a seedsman or dealer, you know the importance of good seeds; you cannot take chances on the quality of the seed from which you expect to make your profits. Sell Burpee's Tested Seeds—the Best Seeds That Grow.

**Order Early from the

The Burpee Buildings in Philadelphia, Pa., and Clinton, Iowa, are especially equipped to properly and quickly fill your orders. If you have not depended upon Burpee for your annual supply of seeds, do so this year; a trial order will be appreciated. It is our purpose to give you Quick Service and the Best Seeds at the lowest possible cost. Please remember that transportation of all kinds is slower than usual, so allow extra time for shipments to reach you.

**Prices Subject to Change  
Without Notice**

All prices in this wholesale catalog are subject to change without notice and all goods, except packets on sale or return basis, Super Packets and Burpee Flower Gardens, are offered f.o.b. Philadelphia, Pa., or Clinton, Iowa, and subject to prior sale. Due to bad weather conditions, some seed crops were very short; we advise that you order all your requirements early. You cannot sell seeds if you do not have them on hand when your customer wants them.

# Special Wholesale Red List Prices

*For exclusive use of*  
**SEEDSMEN AND DEALERS**

Effective December 1, 1946, all invoices for purchases will be charged at the prices quoted in this Burpee Red List, unless Special Offers are made by letter or telegram and referred to when the order is placed.

We expect to adhere throughout the winter and spring to the prices quoted herein, unless some causes beyond our control require a change, in which case we shall be governed by the market. All goods are offered subject to prior sale, f.o.b. (except where noted) Philadelphia, Pa., or Clinton, Iowa, and we reserve the right to change prices without notice if it should become necessary.

## Credit and Terms of Payment

Our terms are cash with order unless you have an account with us or are satisfactorily rated by the commercial agencies. To those who have accounts and others of approved credit, our terms are *60 days net*; 2% discount for cash in ten days from date of invoice, or 3% discount when cash accompanies the order, for Vegetable and Flower Seeds and Flower Bulbs. *No discount* on Grass Seeds, Clover Seeds, Roots, and Supplies, or on Bags, Cases, and shipping charges, all of which are *net cash*.

New customers, unless satisfactorily rated with the commercial agencies, should furnish us with at least three trade references. Orders from new customers amounting to less than \$5.00 should be accompanied by cash.

Orders for seeds will be shipped C.O.D. upon receipt of a deposit of 25% of the value of the order.

## All Prices Quoted in this Red List are f.o.b. Philadelphia, Pa., or Clinton, Iowa, except where noted

The purchaser pays the transportation charge on everything offered in this book except packets on sale or return basis, Super Packets and Burpee's Flower Gardens, which are sent prepaid. If goods are wanted by Parcel Post, include sufficient to cover postage on cash orders. On charge orders, postage will be invoiced. We make no charges for packing or cartage, but Bags and Cases will be charged at current cost and are not returnable. If in doubt as to the best and most economical method of shipment, we suggest that you leave this to our judgment.

## Shipping Instructions

With each order, please give complete shipping instructions if goods are not to be sent by Parcel Post. Give the name of your express or freight office and on which railroad you wish goods shipped. This will assure correct routing. After delivering the shipment to forwarders in good order (as shown by Bill of Lading), our responsibility ceases. Marine and/or War Risk insurance will be effected on foreign shipments only when so directed.

You can depend upon us to get your seeds on their way to you as quickly as possible. In these times, however, all methods of transportation are uncertain, so it is advisable to order earlier than usual.

# Burpee's Early Flowering SWEET PEAS

Varieties are arranged in each color class from deep to light shades

Burpee's Early Flowering Sweet Peas come into bloom outdoors before the summer heat arrives—3 to 4 weeks earlier than the Giant Spencer varieties offered on pages 56 to 59. They are valuable for winter flowering under glass, also especially adapted for growing in frost-free sections and for earliest blooms outdoors in the North. Sweet Peas do best in cool weather. If seed was not sown in the fall, sow as early in the spring as the ground can be prepared. They prefer an open, sunny location, and deep, rich soil which must be well drained.

## White

**3390 Burpee's White** Magnificent large, frilled, pure glistening white flowers which are particularly sweet-scented. A splendid white-seeded white.

**3395 White Giant\*** Flowers are extremely large, of the purest white, and perfectly placed in fours on long, strong stems. An extra choice white-seeded white.

## Cream

**3334 Oriental** Deep cream or primrose flowers of large size and unusual beauty. Black-seeded.

## Fawn Pink

**3162 Golden Pink\*** Outstanding color—glowing golden or fawn pink; beautiful, especially under artificial light. Large, well-waved flowers.

**3309 World's Fair** Light golden cream faintly overlaid with a delicate suffusion of fawn, deeper toward the edges.

Oz. 75¢; ¼ lb. \$2.75; lb. \$9.50

## Spring Flowering Sweet Peas

Come into bloom outdoors between the Early and Giant Spencer classes. Plants are quite vigorous and what the flowers lack in size is made up by the heavy crop of blooms produced. Vines seem more heat resistant than other Sweet Peas. Under glass they are unusually free flowering and prolong the spring cutting season.

We offer three colors, each of which received an award in the All-America Selections:

3470 **Blue** Clear marine blue; free bloomer.

3479 **Lavender** Lovely soft shade of lavender.

3447 **Rose Pink** Beautiful rose-pink on white.
